

Greetings all!

I truly hope this finds You and Yours well in these tumultuous times.

Firstly, I need to make amends for the delay in this communication, as it was an unforeseen oversight on my part. My sincerest apologies for this lapse, and I will do my best to make it right with more timely communication going forward.

As you are aware the PI Committee sought input from the Fellowship regarding how to go forward with Area 41's presence at the 2020 Nebraska State Fair. This was a result from a notice received from the Nebraska State Fair Board in mid-July. All Vendors and Concessionaires were deemed null and void by the State Fair Board due to the current health crisis. They offered four choices, which were presented to the Fellowship. By far, the majority chose to forego our attendance this year and let our deposit rollover to the 2021 Nebraska State Fair, retaining our Returning Vendor status, and securing our reserved booth/space for 2021. This was let known in writing to the Nebraska State Fair Board on the deadline for a decision of July 31.

Please pass this information on to all concerned, and if you have any questions, comments, or concerns, please do not hesitate to contact me.

In the Fellowship,

Thom
