

Shattering the Glass:

Carrying the Message to Isolated Communities

AA Zoom Workshop

Our hope is to find concrete ways to carry the message into places that are cut off due to the pandemic. This workshop will specifically discuss three different areas in our community that are currently isolated, including treatment centers, jails, and elder care facilities. We strive to provide tangible and meaningful ways to be of service to these folks, so we can better bridge the gap between those who do not have direct access to AA.

*Saturday, January 16th at 1:00pm via Zoom
