

Volunteers Needed
August 26th – September 5th

The Area 41 Public Information Committee is once again sponsoring an AA Information Booth at the 2022 Nebraska State Fair. The booth is required to be staffed during the hours of the fair, which runs August 26th through September 4th from 10:00am to 9:00pm, and September 5th from 10:00am to 7:00pm. The shifts have been divided into 3 hour segments. We strongly suggest that you have a Sponsor or Sponsee go with you, particularly if you are in your first year of sobriety. Discount passes will be available to AA Booth Info Workers. Time slots will be filling up quickly, so please email pi@area41.org today!!!!!!!!!! Or use the form above the link to this flyer.

Please email pi@area41.org with the day and time that you are willing and able to staff the booth. While you may staff the booth by yourself, it is more fun with a friend. The Volunteer Sign Up will be on a first come, first serve basis. We cannot guarantee your preferred time slot will be available, so please choose accordingly. Discount passes will be available to AA Booth Info Workers. Please get out of yourself, be part of the solution, be of service, give back what was freely given to you, and email pi@area41.org today! Or use the form above the link to this flyer.
