New Business:

- Central Regional Service conference
Jim,-Motion: District 22 fund the \$35 registration fee for the DCM to attend WCRAASC via zoom
Miranda seconded. Unanimously voted in favor
- Sara-website: what kind of log-ins/page do we want
Password protected page?
What needs to be protected and how you would like to protect it
Question asked : Why do we need to have minutes on the Area website?
Discussion: Historically all our minutes have been on the Intergroup website.
District page within Area site vs within Intergroup site
Goal is to decrease redundancy-with new Area site that was rolled out, district pages were added, which function as districts own webpage
Have been sending minutes to both Intergroup and Area?
minutes have not been posted on Intergroup since October of 2023.
Overall consensus: since Intergroup minutes are currently unprotected, would not rush to create a secure path for minutes on Area Website
