Discussion: Other time might work better to hold this meeting
Voting outcome: 3 for/ 0 opposed/2 abstain
- **#4 Send Contribution acknowledgements to groups or members that contribute to Area 41 and provide an email address**
Discussion: Good for accountability, and minimal time required to send an email acknowledging receipt of funds.
Voting outcome: 4 for/0 opposed
- **#5 Proposed Newsletter Chair Scope and Responsibilities:** (see Area 41 voting items for full list of scope/responsibilities
<https://www.area41.org/2026/05/14/area-assembly-agenda-july-2026/>
Discussion: Report and Charter Committtee should be res[pensible for this, not Area 41. Area only defines the scope of *Committees* not individual chair, the committees define the scope of the Chair. Committtees have the right to autonomy, and should have the ability to make changes. Motion made for this to go back to the committee levels, not Area.
Voting Outcome: 0 for/1 opposed/ 4 abstain
