- Nothing to report

Old Business:

- Area 41 is doing a group inventory and would like to know if groups would like District 22 to participate.
- Nick contacted Anne last week and asked if the survey results from the group inventory were completed.
- Both individual groups and districts are invited to participate.
- Will dig into and discuss the results in breakout groups in the October Area Assembly.
- Discussion whether groups want to discuss at District. We would need to sit and discuss at next District meeting and need to also vote on Area Voting Items at next District meeting.
 - Motion to leave it to the groups to complete the Area 41 group inventory questionnaire on their own and submit. If they have questions, they are welcome to bring any questions or concerns to the next District meeting. 1st Jim, 2nd Sandra, Passed 5:0

New Business

- Didn't Central Office run the hotline during the day. Now it is being managed by volunteers who are taking turns staffing the Central Office.
- Sarah noticed the lincaa.org homepage only talks about how to make financial contributions to Intergroup or sign up to volunteer on a committee and asked that the issue be taken back to Intergroup. Seems Intergroup has lost track of the primary purpose as the website seems more of a service portal than an opportunity to serve the still suffering alcoholic.

Group Reports:

- Ladies Big Book Study-Miranda: Holding funds from GSO and sent Power of Purse letter. Sending a positive Power of the Purse letter with an increased contribution to Area in support of the additional funds for Wordly. Also planning to revisit the business meeting inventory to see if there are any lingering items that still need to be implemented.
- Wild Bunch-Luke: Not present
- Rainbow Group-Devin: Held an emergency business meeting to decide how to do a group inventory. Planning to do it in September and October to make sure they give time for others who don't normally attend the business meeting to participate.
- Our Common Welfare- Ben: Attendance is staying steady. Nothing else to report.
- Sunday Night Workshop: Allison: Allison took over GSR position from Grace. Also holding funds from GSO and submitted Power of the Purse letter.
- Monday Night Stag: -Jim: Attendance is slightly down from summer. Everything going well. Waiting for things to get busier again.

- Keystone Group: NA (Contact-Zach I.): Not present
