- Voting Items from Area Assembly: See Newsletter

1. Agenda Item 2026-07-11 001 Agenda: (Workshop food/beverage budget for Four Corners Workshop) If the infeasibility of paying for or otherwise providing food and/or beverages is a barrier to a district's sponsorship of a Four Corners Workshop that would otherwise be scheduled by the Area, the Area Workshop Chair, in consultation with the Agenda Committee and with notice to the Treasurer, has the discretion to spend up to \$60 per Workshop for the purchase of food and/or beverages for the workshop. If the exercise of that discretion would necessitate an increase in the Workshop Chair's budget, prior approval of the Treasurer must be obtained.

Discussion: The Four Corners Workshop is something to help reach the still-suffering alcoholic, which is our primary purpose. This happens in districts that don't have the financial resources that some of the

others do. Getting these workshops out to these places is good. Seems it's money well-spent. One of the best things, Area 41 does. Question as to why is it only \$60, feel it should be more. Difficult to get much with only \$60 and could benefit from more funds especially with cost of things increasing. Suggestion that the message be carried to Area, that we offer a friendly amendment to increase the amount from \$60 to \$100, for food/beverage budget for Four Corners Workshop.

Motion made by Jim; 2nd by Mark, Motion passed 8:0

2. Agenda Item 2026-04-11 005 Finance: Approve the 2027 Area 41 Budget

Reviewed proposed budget, and noted that the budget is based on anticipated 30% increase in 7th tradition contributions which may not be accurate, or reasonable. After discussion, this is trusted servant item. Passed 7:0

3. Agenda Item 2026-01-10 003 Finance: Removed any sponsorship or incentive payments from outside venues when considering hotel bids

Was shared that this had been a discussion previously and was determined that could accept incentive as long as that would be offered to any other group or organization hosting an event. The concern was that it is accepting outside contributions and goes against tradition. Discussion: When we are considering as a fellowship, need to keep 3rd parties out of the equation due to not having any contractual agreement with 3rd party. "Keep it simple". Any future bids from hotels would not include or accept incentives from 3rd party, such as Chamber of Commerce. Voting item passed. 5 for, 0 opposed, 2 abstain
